

24th August 2016 – Ice Cream Stick Craft Competition

“Everyday is an opportunity to be creative”

Inter House Ice Cream Stick Craft Competition was organized for classes III – V on 24th September 2016. Each house had two groups comprising of students from all three classes.

Students took the initiative of using ice-cream sticks and made beautiful 3D compositions. They created a house with its parking and fence; a beach scene, multi-utility holder, wind – chimes were among others. The competition lasted an hour. It was a great learning experience for students where they gave wings to their creativity & enjoyed making beautiful things out of waste ice-cream sticks.
