

28th October 2016 – Robotics Competition

Students of Sachdeva Global School participated in Robodex6 competition (Seniors: IX-XII) at DPS, Dwarka on 28th October 2016. Rythum Bawa of IX A and Tushar Srivastva of IXB brought laurels to the school by bagging the second position in 'Shot Put Event'. It was a track and field event in which the robot, which was made by the students and was supposed to 'throw' a ball. Globalites made a wonderful ball launcher mechanism and hit the 1.57m mark. Children enjoyed the competition and showcased their talent.
