

30 August 2017 – Inter Class Rhymes Recitation Competition

The first five years of students are of vital importance in laying the foundation of personality and confidence building. Keeping this fact in view Rhyme Recitation Competition was organized in the school for the students of BUDS on 30 August 2017. They chose a variety of topics for their recitation like nature, trees etc. and it was a delight to hear these little ones. The eye catching props added icing to the cake. The children charmed their teachers and classmates with their poise and grace. The event was a great success with maximum participation of the children from all the section of BUDS.

The winners of the competition were:
