Subject: Access to Library during the Summer Break

Dear Parent

**"To read is to empower
To empower is to write
To write is to influence
To influence is to change
To change is to live."**

~ Jane Evershed ~

With school taking most of their times, children today seldom get time to read books. There are other modes of entertainment and television or malls seem to be a large source but everything is fine in moderation. Reading habits are a healthy way to develop one's personality. Parents reading bed time stories to their children are already inculcating reading habits in a child.

To encourage reading habit in our students the school library will remain open during the summer break. The library visiting time will be between 8:00 am and 2:00 pm on all working days. Children will be given reading logs to keep track of the books they read during the summer break. At the end of the summer vacation, children will be asked to hand in their reading logs to the librarian.

Students can also make full use of the same for their project and assignment work set for the summer break.

Warm regards
