Subject: Activity Clubs (VI – X)

Dear Parent Greetings

The new session has started and so have our activities according to the monthly academic planner and co-curricular clubs.

In SGS, the thrust on academic excellence in the classroom is continuously accompanied by an effort to build up the students' strength in co-curricular activities as well. Involving students in a variety of activities helps in enhancing team spirit and also helps to groom students into competent and self-confident individuals.

Students need to make two choices out of the following Co-curricular Activity Clubs (one each out of A and B) for the session 2011-2012 :

| | Dance Club (Indian and Western) |
