Circular No.:-SGS/Admn./055/2010

Subject : Activity Clubs (VI – IX)

Dear Parent

In SGS, the thrust on academic excellence in the classroom is continuously accompanied by an effort to build up the students' strength in co-curricular activities as well. The House System and the Activity Clubs function as effective instruments for the development of all round personality of the students. These enhance team spirit, by involving students in a variety of activities and help to groom students into competent and self-confident individuals as well as stream-line their talents.

Keeping our efforts abreast with demands of the changing educational scenario, we are adding another popular activity to the already existing list of activity clubs (**list B**). The new addition is **Taekwondo Club**. Please refer to our circular No.:-SGS/Admn./050/2010 according to which your child has already opted for one 'A' group and another 'B' group activity. Taekwondo Club and Western Music (Instrumental) Club will start from July 2010.

Students who opt for Taekwondo will attend Taekwondo classes on Wednesdays instead of the 'B' group activity opted by them. They will have to bring a track suit for this activity.

Please Note :

Students who have opted for Western Music (Instrumental) will have to bring their instrument (drum sticks, guitar, keyboard) for practice on the activity day (Tuesday and Wednesday).

Warm regards

Amita Saxena
(Headmistress)

Consent Slip

Name of the student: _____

Class/section: _____

My ward (**will / will not**) join the **Taekwondo Club**.
