Circular No.: -SGS/Admn./060/2010

Subject : Rakhi Making Contest

Dear Parent

With great pride we inform you that our school has planned to send rakhis made by our school children to the soldiers posted in border areas. This noble endeavour will bring a smile to the faces of soldiers, who sacrifice their lives to let us live in peace. Participating in this activity will instill in our students respect for the soldiers.

To fulfill this objective the school will conduct a 'Rakhi Making Contest' in which every student will make two rakhis and pack them beautifully. A panel of experts will assist our students by showing them how to make beautiful rakhis in a simple manner. Later these rakhis will be sent to AFWWA (Air Force Wives Welfare Association) who will send them to the soldiers.

We hope to see your ward's whole-hearted participation in this noble event.

Thank you

(Amita Saxena)
Headmistress
