

Friday, 26th November 2010

Circular No.:-SGS/Admn./072/2010

Subject: Invitation for Science and Handicraft Exhibition

Dear Parent

Parent Teacher Interaction for **Classes Saplings - IX** will be held on **Saturday, 27th November 2010**. You are requested to follow the time schedule given in the students' diary to meet your wards' teachers. All teachers will be attending a workshop on '**Phonetics**' from **11:30 a.m.**, hence will not be available after that.

We are happy to announce that a "**Science and Handicraft Exhibition**" has been organized on the same day. We welcome you to take a tour of the exhibition between **08.30 a.m. to 12:00 noon**. Students have worked very hard under the guidance of their teachers to make science models and creative craft items. Models of Solar System, Physical Features of India, Water Treatment Plant, Fire alarm (working model) etc. will be displayed and explained. Your valuable presence will encourage the students and teachers.

The school has also organized a **Book Fair** in association with **Scholastic India Ltd**. Students have been browsing the books since two days. You are cordially invited to visit the fair on **27th November 2010**. We hope you will make best use of this opportunity and acquire books to add to the personal library of your ward.

Warm regards

Amita Saxena
(Headmistress)
