Circular No.:-SGS/Admn./ 067/2010

**Subject: Joy of Giving**

Dear Parent

We at SGS prepare our children not only in academics and co-curricular activities but also train them to be absolute individuals who keenly participate in social causes as well! This is an appeal for everyone at SGS to participate in the 'Joy of Giving Week 2010' through 'Vastra Samman' and 'School to School (S2S)' initiatives of GOONJ.

GOONJ, is a nationwide awareness cum collection campaign and has built up a network in 21 states of India for which it has won numerous awards and recognitions. Its initiatives revolve around making creative and optimum use of waste material as a resource, right from old cloth to furniture and even machinery.

We are also strong believers in the schools' responsibility towards the society and role in nation building. This belief is evident in all our programs and social initiatives. The school sees its students as good future citizens, and as such aims to create awareness and programs to help solve social problems and overcome global challenges.
