

CLASS - I
SUMMER HOLIDAY HOMEWORK

Dear Parent,

Summer vacation is the best part of the year. Students can have a couple of weeks entirely to themselves. They can do whatever they like and can go wherever they please. Summer is a great time for children to explore outside of the confines of the school. To help your ward to explore the world around, we have some interesting activities planned for him/her:

- Books To Read:
 - Lady bird series: Level:1
 - Panchatantra series (Hindi)
 - Noddy series
- Places to visit:
 - Garden of Five Senses, Doll Museum, Eco Adventure Park, Akshardham Temple, Adventure Island, National Science Centre, Kingdom Of Dreams
- Some important tips to beat the heat:
 - Do not be out in the sun especially during the noon time.
 - Drink lots of water and other fluids like lemonade, coconut water etc to avoid dehydration.
 - Eat a lot of salads and fresh fruits that naturally contain water like water melon etc.
 - Wear loose fitted or cotton clothes and apply sunscreen before going out in the sun.
 - If all else fails, take a break and head to a hill station and refresh yourself with it's breathtaking beauty!
- Little Hands At Work Book with lots of fun exercises and easy to do craft work has been given. Please do as directed.
- Page No. 1, 2, 4, 6-9, 13, 14, 17-19, 23, 25-34, 37, 39-41, 48-52

Happy Holidays!
