**Subject: Interaction Session for Class X Parents**

Dear Parent

Greetings for the day!!

As we are aware that CBSE has introduced several changes to its curriculum and assessment pattern for Class X for the academic Session 2026-27. We believe it is essential for us to help and support you and your ward in your journey right from the beginning of the session, so that, together, we can create an environment that fosters academic success and psychological support for our children as they prepare for their Board Examination in a planned and focused manner.

To facilitate this, we are organizing a "**Session on the New Assessment Pattern and Time Management Strategies"** exclusively for the parents of Class X students. The details of the Session are as under:

**Day & Date:** Saturday, May 23,2026
**Time:** 9:00 am onwards
**Venue:** School Auditorium

The session will begin with an interaction with the Head of School – Ms. Miti Dhingra, followed by a (personalized) student review with the subject teachers.

We strongly encourage all parents to attend this session as it will not only enhance your understanding of the examination process but will also equip you to provide the necessary support to your child during this critical time.

Looking forward to your continued support and cooperation in all our endeavors

Warm Regards,

**Miti Dhingra**
**Head of School**
