SACHDEVA GLOBAL SCHOOL

Parental Circular Class-VI

Subject: Sanskrit as compulsory language from Class VI w.e.f Academic Session 2026-27

Dear Parents

Warm greetings! We trust this message finds you and your child in good health and spirits.

In line with our commitment to provide a broad and balanced education and to implement the recommendations of NCFSE-2023, the school will, with immediate effect, adopt the structured three-language framework.

Consequently, please note the following changes affecting Class VI from the Academic Session 2026–27:

- Class VI will not study French language from the Academic Session 2026–27.
- Sanskrit language will now be taught to all students compulsorily from Class VI onwards till Class VIII with effect from the Academic Session 2026–27. This will ensure that every learner studies at least two Indian languages.

Parents are requested to take note and procure Class VI Sanskrit books , which can be bought from the school bookstore. Kindly check the Google Classroom for changes in the Time table.

We appreciate your continued support and cooperation as we work together to enrich and nurture our children's educational journey ahead!

Regards

Miti Dhingra
