Dear friends,

Lots of greetings and love from Don Bosco Ashalayam. I am very happy to write this few lines to you. By God's grace we are keeping fine and we do hope that you too are keeping fine. We very fondly remember the interaction we had with your children. It was wonderful opportunity for our children to broaden their outlook.

Once again thanking you all for your goodness, thoughtfulness. All the very best to the children for the forthcoming annual examination, which is going to start soon. May God bless them and enlighten them with knowledge and wisdom.

Looking forward to have again such interactions with our children.

Have a glance in the attached newsletter of DBAshalayam.

affectionately

Fr. Linus Francis
